

2 DAYS VARICOSE VEINS TRAINING COURSE

Advanced Operative & Hands-On Workshop
16th & 17th February 2026 | Fortis Hospital Mohali

Organised by: Department of Vascular & Endovascular Surgery Fortis Hospital Mohali

About the Workshop

A focused two-day certified program covering the latest diagnostic and operative techniques in **Varicose Veins Management**. Designed for surgeons and clinicians seeking practical, high-value training with **live OT cases, hands-on scrubbing, Doppler sessions, and expert-led lectures**

Key Highlights

- ✓ Venous anatomy & pathology
- ✓ Duplex & Doppler for venous insufficiency
- ✓ Training on:
(RFA, Venaseal Glue, Foam Sclerotherapy, Perforator management)
- ✓ Live cases (12)
- ✓ Hands-on scrubbing (as per fee tier)
- ✓ Ultrasound mapping
- ✓ Post-procedure care & complication avoidance
- ✓ Certificate from Fortis Mohali / VAI
(Suitable for Vascular Surgeons)

Why Attend?

- ▶ Real OT exposure & hands-on scrubbing
- ▶ Strengthen your varicose veins practice
- ▶ Experience a high-volume venous intervention centre
- ▶ Learn from senior vascular experts
